

VENTURA COUNTY AIR POLLUTION CONTROL DISTRICT

RULE 8 - ACCESS TO FACILITIES

(Adopted 5/23/72, Renumbered 11/21/78, Revised 10/12/93)

Representatives of the District, during reasonable hours, and upon identification, for the purpose of enforcing or administering the Rules of the District, any applicable state or federal air pollution rules or regulations, or any provisions of the Vehicle Code relating to the emission or control of air contaminants, or of any order, regulation or rule prescribed pursuant thereto, may enter every building, premises, or other place, except a building designed for and used exclusively as a private residence and may stop, detain, and inspect any vehicle, designed for and used on a public highway but which does not run on rails. Every person is guilty of a misdemeanor who in any way denies, obstructs, or hampers such entrance, or such stopping, detaining, or inspection of such vehicle, or who refuses to stop such a vehicle upon the lawful order of the District.

In addition, for any facility operated pursuant to a Permit to Operate issued by the District, representatives of the District, during reasonable hours, and upon identification, shall:

1. Have access to and be able to copy any records that must be kept under conditions of the permit.
2. Have access to and be able to inspect equipment and operations regulated or required under the permit.
3. Be able to monitor substances or parameters for the purpose of assuring compliance with the permit or any applicable federal, state, or District requirement including any requirement promulgated pursuant to a federal implementation plan for Ventura County.
