

Initial Reporting Form ENF-32A for Breakdowns

Ventura County Air Pollution Control District
4567 Telephone Road, 2nd Floor
Ventura, CA 93003

ELECTRONIC SUBMITTAL ONLY

To notify the District of a breakdown condition, at minimum complete Section I, Section III and Section V of this form. Complete Section II and Section IV to the best of your ability. Fill out this form electronically and submit through email to notifications@vcapcd.org. Attach supporting documentation or photographs, if available to the email. Breakdown relief is only available for up to 24 hours, or until the end of the production run, whichever is sooner. Breakdown relief for continuous monitoring equipment is available for up to 96 hours. If a longer time period is needed, the owner or operator, in lieu of a shut down, can request the Air Pollution Control Hearing Board to grant an emergency variance. Email keith@vcapcd.org for variance information.

***THIS IS NOT A FINAL BREAKDOWN FORM.**

To complete the breakdown process and obtain relief from enforcement action, you must submit a completed Final Breakdown Form (ENF-32B) within 1 week of the end of the breakdown. Submittal of a final breakdown report does not guarantee breakdown protection for the violation. Report submittal extensions may be granted for good cause, contact ed@vcapcd.org for extension requests. Failure to submit a final breakdown report within 1 week of the end of the breakdown without an approved extension will void any breakdown protection granted and subject the violation to enforcement action.
