

RULE 211, TRANSPORTATION OUTREACH PROGRAM REQUIREMENTS:

INITIAL REGISTRATION OR ANNUAL REGISTRATION UPDATE

- The Ventura County Air Pollution Control District (VCAPCD) Rule 211 applies to any employer with 100 or more employees reporting to a worksite in Ventura County. See or search [Rule 211.pdf](#) on the www.VCAPCD.org website.
- Within 30 days of receiving a request for information or becoming subject to Rule 211, an employer must complete an initial Rule 211 Employer Registration Form and submit it to the VCAPCD.
- Returning Rule 211 employers must update their registration information every year. The annual Rule 211 Employer Registration Form updates are due in January.
- The Rule 211 Employer Registration Form requires a minimum amount of information, including designated contact, worksite location, worksite employee population, and senior management contact information.
- You may download a copy of the [Rule 211 Employer Registration Form](#) on the www.VCAPCD.org website.

BIENNIAL EMPLOYEE COMMUTE SURVEY

- New employers subject to Rule 211 will be assigned a month in the calendar year to select a survey week. The VCAPCD will provide instruction and guidance throughout the process.
- Returning Rule 211 employers will receive a reminder 30 days prior to their anniversary biennial survey month. You may contact the VCAPCD Rule 211 Transportation Outreach Program if you have questions about your survey month.
- Employers with multiple sites in Ventura County are required to conduct a biennial commute survey for each worksite subject to Rule 211. The survey results must be submitted to the VCAPCD within 30 days after conducting the survey.
- If you employ less than 100 employees, at the time of your scheduled survey, you may not be required to conduct a survey. You must contact the Rule 211 Transportation Outreach Program for further assistance.
- There are no fees associated with the annual registration or the biennial commute survey.
