

**NOTICE OF RESCHEDULED PUBLIC HEARING
BEFORE THE AIR POLLUTION CONTROL BOARD
OF VENTURA COUNTY
FOR CONSIDERING THE ADOPTION OF
AIR POLLUTION CONTROL DISTRICT**

Revision to the California State Implementation Plan
to Certify the Existing Ventura County Air Pollution Control District's Nonattainment New
Source Review Program
Meets the Requirements for the Implementation of the
2008 Ozone National Ambient Air Quality Standard

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Air Pollution Control Board of Ventura County to consider adoption of a revision to the Ventura County portion of the State Implementation Plan to certify the Ventura County Air Pollution Control District's existing nonattainment new source review program meets the requirements for the implementation of the 2008 ozone national ambient air quality standard.

STAFF IS PROPOSING the adoption of a revision to the State Implementation Plan, which will certify the Ventura County Air Pollution Control District's existing nonattainment new source review program meets the requirements for the implementation of the 2008 ozone national ambient air quality standard. New Source Review is the program that mitigates emission increases associated with new and modified facilities.

The Ventura County portion of the State Implementation Plan presents a combined state and local strategy for attaining the 2008 federal eight-hour ambient air quality standard for ozone. It was prepared to satisfy federal Clean Air Act planning requirements for areas designated as serious federal eight-hour ozone nonattainment areas, such as Ventura County.

INFORMATION REGARDING THE REVISED PLAN, is available for review by any interested party at the Air Pollution Control District offices located at 669 County Square Drive, Ventura, California, 93003 during normal business hours (Monday through Friday, 8 am to 5 pm excluding holidays).

Written comments may be addressed to Michael Villegas at the District Office, (805) 645-1440, and should be received no later than July 25, 2018.

AS A RESULT of the public hearing, the Board (1) may adopt the plan revision as proposed by staff, or (2) may adopt the plan revision with changes made as a result of the public hearing, or (3) may not adopt the plan revision. Staff recommends the Board adopt the revision to the plan as proposed.

SAID PUBLIC HEARING is to be held before the Air Pollution Control Board on Tuesday, July 31, 2018, at 11:30 a.m. in the Board of Supervisors Meeting Room, Main

Plaza Level of the Administration Building, Ventura County Government Center, 800 South Victoria Avenue, Ventura, California. This public hearing date has been rescheduled from July 10, 2018 as initially noticed. Any interested party has the privilege to attend and be heard on this matter.

DATED THIS ?? day of June 2018

MICHAEL POWERS

Clerk of the Board of Supervisors,
and ex officio Clerk of the Ventura County Air Pollution Control Board
County of Ventura, State of California
