Sky Savers program going strong

The Ventura County Air Pollution Control District's new program, Sky Savers, (www.skysavers.org) was introduced this past Earth Day, April 22. The online "green" coupon program educates residents about environmental issues while saving them money. It also highlights local merchants who offer products and services which help the environment.

Participating merchants include A & F Country Market; Agromin; American Bicycle Security Co.; Bark Em Pet Supplies; Bill's Bike Shop; Crowne Plaza Ventura Beach; EcoLogic Life; Elemental Landscapes; Farmer and the Cook; Global Encasement, Inc.; Green Clean Maid Service; Innovative Marketing; Lake Casitas Boat Rentals; LifeSource Water Systems, Inc.; McGrath Family Farm; My Footprint; Open Air Bicycles; Organic Roots Mattress; Otto and Sons Nursery; PermaCity Solar; Petropolis; Plaza Cleaners; Precision Environmental Inc.; REC Solar; Simi Bike Works; Terramor Organic Home; Trek Bikes of Ventura; Underwood Family Farms; Wilshire Home Entertainment; and Wm. J. Matson Company.

According to public information manager Barbara L. Page, "We are so excited these companies are offering "green" discounts to County residents. Most of the coupons are good through the end of June and some last much longer. We urge people to visit the web site at www.skysavers.org to learn about air quality, take real action to help the environment, and save some money as well." Call 805/435-3103 for more information.
