NOTICE OF PREPARATION

Subject: Notice of Preparation of a Draft Environmental Impact Report

Ventura County Air Pollution Control District (VCAPCD) will be the be the Lead Agency and will reuse the November 2009 Final Environmental Impact Report on Proposed Amendments to Rule 74.2, Architectural Coatings, as the draft environmental impact report for the project identified below. We need to know the views of your agency as to the scope and content of the environmental information, which is germane to your agency's statutory responsibilities in connection with the proposed project.

The project description, location, and the potential environmental effects are contained in the Initial Study, which has been posted on the district website (www.vcapcd.org). A copy of the Initial Study is not attached. Due to the time limits mandated by State law, your response must be sent at the earliest possible date but not later than 30 days after the receipt of this notice.

Please send your response to Stan Cowen, Air Quality Engineer at the address shown above. For more information, his phone number is (805) 645-1408 and his email is stan@vcapcd.org. We will need a name for the contact person in your agency.
