Extended Warranty. A minimum of a one-year or 1,600 hours power and drive train warranty must be purchased for new equipment if the factory warranty does not cover this period. The warranty must cover parts and labor. Warranty documentation must be attached. Warranty costs are not eligible for funding.		\$
Tax:		\$
Retrofit. If available for your new equipment, a retrofit can be funded at 100% of its cost. If a retrofit is desired, check this box <input type="checkbox"/> and enter the total cost here and attach a price quote detailing the retrofit costs. To decline the retrofit, review and sign in the box below.		\$

The California Air Resources Board requires retrofits (also known as VDECS or diesel particulate filters) to be installed on all funded equipment unless the applicant signs a waiver to "opt out" of this requirement. If available for your new equipment, 100% of the cost of a retrofit can be funded by this program. To opt out, sign below to acknowledge that you understand future regulations could require the new equipment to have a retrofit installed at your own cost. If you want a retrofit now, do not sign below and attach a price quote with details.

Waiver - I choose to opt out of the retrofit requirement.
