****Attach price quote from dealer to substantiate claims made in this table.**

Itemized price quote(s) attached.

The California Air Resourced Board requires retrofits (also known as VDECS or diesel particulate filters) to be installed on all funded equipment unless the applicant signs a waiver to "opt out" of this requirement. If available for your new tractor, 100% of the cost of a retrofit can be funded by this program. To opt out, sign below to acknowledge that you understand future regulations could require farm tractors to have retrofits installed at your own cost. If you want a retrofit now, do not sign below and instead attach a price quote with details.

Waiver - I choose to opt out of the retrofit requirement.
