****Attach price quote from dealer to substantiate claims made in this table.**

Itemized price quote(s) attached.

If the applicant obtains financing to assist in the purchase of replacement equipment, full documentation of financing must be provided.

The California Air Resourced Board requires retrofits (also known as VDECS or diesel particulate filters) to be installed on all funded equipment unless the applicant signs a waiver to "opt out" of this requirement. If available for your new equipment, 100% of the cost of a retrofit can be funded by this program. To opt out, sign below to acknowledge that you understand future regulations could require the new equipment to have a retrofit installed at your own cost. If you want a retrofit now, do not sign below and attach a price quote with details.

Waiver - I choose to opt out of the retrofit requirement.
