# HOW TO SUBSCRIBE TO WILDFIRE SMOKE TEXT/AUDIO ALERTS

## 411 OVER THE TEXT/ AUDIO SYSTEM:

- You can opt out by texting the word STOP in the same chat
- The text messages will include an audio file with the same message, available in English, Spanish, Mixteco, and Zapotecco
- You can sign up for either English or Spanish (Spanish includes Mixteco and Zapotecco messages)
- If the Air Quality Index (AQI) is still at same levels the next day, APCD will send another text alert. If it is not, it will not send a message
- You can download the app called "CARB Smoke Spotter" to see live smoke maps, forecasts, and AQI of locations throughout Ventura County (screenshot of app on right)
- For questions or assistance, please see your Supervisor or call the APCD office at 805-303-4005
